8. Paragraph (g) updates the Constitution to reflect the Club’s Biennial elections. That is, the Rules now provide that a director who is appointed to fill a casual vacancy shall hold office until the next Biennial General Meeting (and not the next Annual General Meeting at which there is no election).
9. Paragraph (h) amends existing provisions relating the accounts and reporting requirements of the Club to bring the Constitution into line with the *Corporations Act* and *Registered Clubs Act*.

SECOND SPECIAL RESOLUTION

[The Second Special Resolution is to be read in conjunction with the notes to members set out below.]

Notes to Members on Second Special Resolution

1. The Second Special Resolution amends an existing provision relating to the calling of general meetings on the request of members to bring the Constitution into line with the *Corporations Act*. In this regard:
 - (a) Rule 33.4(a) provides that the Board must call and arrange to hold a general meeting of the Club on the request of members with at least five percent (5%) of the votes that may be cast at the general meeting or one hundred (100) members. This reflects the previous requirements contained in the *Corporations Act*; and
 - (b) The *Corporations Act* has been amended and now provides that directors are only required to call and arrange to hold a general meeting of the Club on the request of members with at least 5% of the votes that may be cast at the general meeting (and not on the request of one hundred (100) members).
 - (c) The Second Special Resolution proposes to amend Rule 33.4(a), so that it reflects the current requirements of the *Corporations Act*.

CHAIRMAN'S REPORT

It gives me great pleasure to present my report to the members for 2016/17, a year in which I was called upon to replace longtime Chairman Steve Feeney after his sudden passing. Steve was the ultimate Club Chairman – a man who loved this Club and the local community, who always put the best interests of the Club first, who always took the time to talk to Club members and who was greatly respected and much adored by everyone at the Club. It's been a humbling task to follow on from such a consummate Chairman, but with the support of our hardworking Board, our management staff ably led by Phil and Dan, Tracy Girardot and our administration staff, all of our floor staff and our loyal members, it's been both rewarding and very satisfying. Thanks to everyone for that support and rest in peace Steve, you'll remain forever in our hearts here at your beloved Club.

The Club had a very good financial year, as detailed in the General Managers report. World Bowls Chairman John Bell calls Warilla Bowling Club "the best Bowling Club in the World" and when you consider the marvelous facility we have, our successes on the green, and the major tournaments we host every year, it's hard to argue anything else.

The Club, during the course of the year, has had conditions imposed upon its liquor license as a direct result of noise complaints from some new neighbours and has spent over \$800K on noise mitigation works in response to those complaints. To quote Steve Feeney from last year's annual report: "We have always been a good neighbour, no matter who our neighbours may be". These works are testament to the importance the Club's places upon being a good neighbour.

The Board is in the early planning stages of expanding the bowls lounge out over no 4 green (the remaining synthetic green), as well as providing additional cabins and accommodation infrastructure. Whilst a time frame has not yet been determined for the works, suffice to say it's an exciting project which I'm sure, once complete, will very much impress our members and guests.

To those members who passed away during the year, and to those members that lost loved ones, please accept my deepest sympathies.

Finally, to all our members, thank you for your continued support and I'm sure you share in the pride that comes from being the "best Bowling Club in the World".

Ian Prescott-Smith
Chairman

GENERAL MANAGER'S REPORT

It is with pleasure that I present my report for the year ending 30 June 2017, another good trading year in which the Club posted a profit of \$1,062,539. The underlying profit for the year was approximately \$810,000 and the final profit for the year included adjustments relating to the sale of land at Shellharbour and a depreciation adjustment to the Club's poker machine ticketing system. The Club remains debt free and in a sound financial position.

The Club continues to improve upon the facilities we provide for the enjoyment of our members and guests. This year saw the completion of the cabins refurbishment, the purchase of 51 Jason Avenue for use as a holiday rental, a complete refurbishment of the first floor function rooms and noise mitigation works to the main lounge and children's playground, all paid for from Club funds.

The Club has also committed to the installation of a 314KW solar panel installation on the roof of the indoor green, and subject to council approval should be installed prior to Christmas this year. This will, with the existing 100KW system, give the Club a 414KW system which is expected to provide around 27% of the power required to run the Club. However, at the same time electricity prices will rise by around 40% when the current electricity supply contract finishes at the end of the calendar year.

The Club continues to support local community, charity and sporting groups with over \$230,000 being donated to these groups this past financial year. The Club takes great pride in the support we provide for the local community.

To Chairman Ian Prescott-Smith and the Board of Directors, thank you for your continued support. To our Operations Manager Dan Morris, thank you for your assiduous assistance. To our Finance Manager Tracy Girardot and our administration staff, your efforts, as always, are above and beyond the call of duty and very much appreciated. To our Management team, thank you for setting the service benchmark for all our staff. To our Executive Chef Adam Southwell, our catering operation continues to make a significant contribution to the Club's success and you and your team should be very proud of the reputation our food has deservedly earned. To all our staff that, day in and day out, provide the highest levels of customer service, please accept my sincerest thanks.

On the green our successes have again been many and varied, with the highlight being the inclusion of Aaron Teys in the Australian Jackaroos squad. To Jeremy Henry, Leif Selby, Trevor Wells, Dallas Delatorre and all our bowls officials, players and supporters thank you and go the Gorillas. Details of all our on green success can be found in the Bowls Reports.

To all our members who suffered bereavement during the year, please accept my sincerest condolences

And last but by no means least, to all our members – thank you for your continued support and friendship and I'll see you at the Club.

Phillip Kipp
General Manager

BOWLING CLUB PRESIDENT'S REPORT

Dear Members,

Once again the Club has had a very successful year on the greens, the highlights of which are included in the Bowls Report. Congratulations Aaron Teys on your inclusion in the Australian Jackaroos. You are a credit to the Club, both on and off the green.

The Club was awarded the prestigious "Best Regional Club" award in this year's Bowls NSW awards which is a fitting accolade for the major contribution the Club makes to District, State, National and International lawn bowls.

The Club won the State number 1 pennant for only the second time in the Club's history, a great achievement which was tempered by the sad and sudden passing of the best lead in the land, Wayne Crane. Wayne, with Jeremy Henry and Jamie Mitchell, won the State Triples Championship during the year after two years as runners up and it was a fitting end to a decorated bowls career. Wayne was an inspiration to all those that played with or against him, and the attendance of the current State team at Wayne's funeral showed the high regard in which Wayne was held at every level of the sport, having himself represented NSW on 106 occasions. Rest in peace Wayne, you'll never be forgotten.

Let's not forget the sensational 7's! That is of course the number 7 pennant team who went so close to winning the State no. 7 pennant, just falling at the final hurdle to finish State runners up. A tremendous effort by a terrific team, who by all accounts performed brilliantly on the green and were great ambassadors for the Club off the green – congratulations to all concerned.

There are many reasons for the Club's success on and off the green. To our Bowls Coordinator Jeremy Henry, who this year won a record breaking fifth World Cup, Bowls Secretary Trevor Wells, Assistant Bowls Secretary Dallas Delatorre, Junior Bowls Development Officer Leif Selby and all our bowls officials, thank you for all your hard work during the year.

To members who lost love ones during the year, please accept my deepest sympathies.

To our bowling members, thank you for your support during the year and go the Gorillas.

Ian Prescott-Smith
President

BOWLS REPORT

On the bowls side, the club has experienced another successful year in on green performances and in the staging of numerous events. Highlights of 'on green' performances were Warilla winning the State Grade 1 Pennants and Champions League, Jeremy Henry winning the Australian Indoor Singles and followed it with World Cup Singles for the 5th time in 6 years. Also notable achievements were Aaron Teys making the Australian Squad, also winning the State Champ of Champion Singles. Jayden Gebbie winning State Junior Singles; Wayne Crane, Jamie Mitchell & Jeremy Henry winning State Triples after reaching 3 consecutive finals; Teddy Clarke and Leif Selby winning Zone Pairs. The pennant season was successful with the club winning Grade 1 and being competitive in all 9 teams that were entered.

Our Junior Program is now the envy of all clubs and the evidence to its success is seen in Warilla's dominance in the junior ranks, winning zone titles as well as many other junior events across the state. Warilla's reputation as possibly the World's best venue for staging events continued with the very successful hosting of the 2017 World Cup. Other events to avail themselves of our venue and expertise were; NSW and Zone 16 Junior Academies in staging numerous training camps, NSW State Junior Championships, the South Coast Regional Combined High School Championships, Australian Indoor Singles qualifying men and ladies; South Pacific Carnival and the Zone Pennant Grand Finals.

The staging of all these events are a direct result of our tireless volunteers who give their time and effort; and to the dedicated Club staff. On behalf of all members please accept our sincere appreciation.

I wish to again express my sincere gratitude to all who assisted during the year in particular Bowls Secretary Trevor Wells and Assistant Bowls Secretary Dallas Delatorre for their tremendous hard work and loyalty; a special mention to Leif Selby and his tireless work as Junior Bowls Development Officer.
